* The insured is a client for whom the health care fee is paid by the insurance company from the public health insurance. Health care is covered by public health insurance under conditions, if Polyclinic Vás Lekár has a valid contractual relationship with a health insurance company (VšZP, Dôvera, UNION), if the client has properly paid insurance premiums, if the client has a referral = exchange ticket.

For examination by a specialist doctor – the patient needs a written recommendation from a general practitioner or other specialist, a so-called exchange ticket.

If the client does not have an exchange ticket, he becomes a self-payer.

** Self-payer by decision of the client / foreigner - self-payer who requests an examination for direct payment and requests an examination without an exchange ticket
